

Advanced Placement Programs at Bel Air High School

What is AP?

- College Level Courses
- Opportunity to earn credit or advanced study at most colleges & University's

What are the Requirements?

- Strong curiosity about the subject you plan to study
- Willingness to work Hard
- Summer Assignments

Why Participate?

- Gain the edge in college Preparation
- Stand out in the College Admission Process
- Broaden your Intellectual Horizons

How do I enroll?

- Talk to an AP teacher
- Check for prerequisites
- Get Recommendations
 - Signed by present classroom teacher & parent
- Complete summer Readings & work

Once Enrolled, you cannot drop the course in the fall.

Why Take the Exams?

(Cost for 2004 - \$82.00)

- Gain a clear understanding of what you need to do to succeed on a college exam
- You determine which college (if any) receive your AP exam grades
 - Earn College credit or Advanced Study
- Learn how to arrange time & handle pressure situations

What do Exams Cover?

- Subject matter outlined in the AP course description
- Download booklets from www.Collegeboard.com/apstudents

collegeboard.com
