MESSAGES IN THE CRUISE PROGRAM

One of our main fund raisers for the cruise is the opportunity for parents, relatives, and friends to place a message in the Cruise Program that is handed to each student as they board the ship. The program will also include the names of those people who have worked hard to make the cruise possible, the businesses that have made a contribution, names of the class officers, and a complete listing of the 2004 BAHS staff. The students enjoy reading your messages as they celebrate their final time together as the class of 2004.

A space for your message to that special senior can be purchased for a donation of \$10 or more. Requests must be received by March 15, 2004.
